REACH compliance Declaration

We hereby declare that all DC to DC converters, except SM1- series, which are delivered to customers shall conform to the specifications of Substance of Very High Concern (SVHC) in view of regulation 1907/2006/EC (REACH), unless customers have special requests.

The chemical analysis of 174 (SVHC) is performed by means of currently available analytical techniques against the list published by European Chemicals Agency (ECHA) on June 16th 2017.

Refer to [http:// echa.europa.eu/web/guest/candidate-list-table](http://echa.europa.eu/web/guest/candidate-list-table)

This list is under evaluation by (ECHA) and may subject to change in the future.

According to the specified scope and analytical techniques, the concentrations of tested SVHC of BOTHHAND's DC to DC converters and the relevant packing materials are less than 0.1% weight by weight (w/w). Compliance is evidenced by written declaration from our suppliers.
